

Mark H. Robinson has served as Executive Director of The Compact of Cape Cod Conservation Trusts, Inc. since its founding in 1986. The Compact provides technical assistance to 25 local and regional land trusts operating on Cape Cod, including landowner negotiations, fundraising, land management and state/municipal coordination on open space projects. The Compact serves as a national model of regional cooperation for land trusts.

A graduate of Williams College and the University of Rhode Island, Robinson previously worked in regional government on coastal management and water quality issues. He has served as Chairman of the Barnstable Conservation Commission, Vice-Chair and Treasurer of the Massachusetts Land Trust Coalition, and Vice-President of the Association to Preserve Cape Cod. He currently serves as the Governor's appointee to the Cape Cod National Seashore Advisory Commission.

The US Environmental Protection Agency acknowledged Robinson's work with a lifetime achievement award in 2009. He has completed over 500 land preservation projects in Massachusetts. He lives in Cotuit and has two sons. He is an avid sailor and experienced nature guide. "I fell in love with the Cape as a summer kid," he says. "I am lucky to have found a way as an adult to exercise my passion to preserve this place."
